Camp Staff

The Blue Devil Football Program is proud to welcome you to this year's Youth Skill's Camp. Blue Devil football is coming off it's 10th trip to the WIAA playoffs in the last 15 years. Camp staff includes coaches from Wa-Hi, Pioneer, Garrison and current & former players

Camp Philosophy

Dear Parents & Campers:

Our camp philosophy is simple: We feel that with quality instruction, low camper/instructor ratios, competition, life-lessons, and fun, we can help your child enjoy the game of football by becoming a well-rounded player.

Our focus is on improving individual skills so that every camper experiences success regardless of their prior experience. All campers will be instructed in skills such as passing, receiving, defending, kicking, and punting and much more.

We are looking forward to a great week of football with you!
